

Dear Show Organizers

July 2024

Herewith the procedure for hosting The Little Horseshoe

The entry form for the Little Horseshoe should be sent out with the show entry forms for each competition.

The entrant should send the form and payment along with the other payments for the competition to the club hosting the show.

Once all the entries have been received, the organizers can send the Little Horseshoe entries to the NECA secretary.

The hosting club will then make the payment to NECA.

NECA will then be responsible to pay the coach that invigilates the exam, as well as prepare the certificates and rosettes/pins for the respective levels of the Little Horseshoe.
